

The **Tiger Cub Preschool** is a California licensed facility that is affiliated with the Morse Child Development Program.

Our campus laboratory preschool has a highly qualified teacher and well trained high school student teachers that plan and prepare daily activities within all of the developmentally appropriate areas. We have a high student to teacher ratio, so the preschool students are assured a lot of personalized attention and caring.

The **Morse Tiger Cub Preschool** is accepting registration for the next school year. We are enrolling three and four year olds. The preschooler must be three years of age before September 1 and have proof of immunizations; polio, measles, mumps and rubella (MMR), diphtheria, tetanus and whooping cough (DTaP), hepatitis B (Hep B) and chickenpox (Varicella or proof of having had chickenpox).

The **Tiger Cub Preschool** meets four days weekly (Monday, Tuesday, Thursday, & Friday) and will begin the last week of **October**. There is a donation fee of \$60.00/month to help supplement educational materials and daily snacks.
