

Joining an Authenticated Zoom Meeting on Chromebook

[Here is a video tutorial as well.](#)

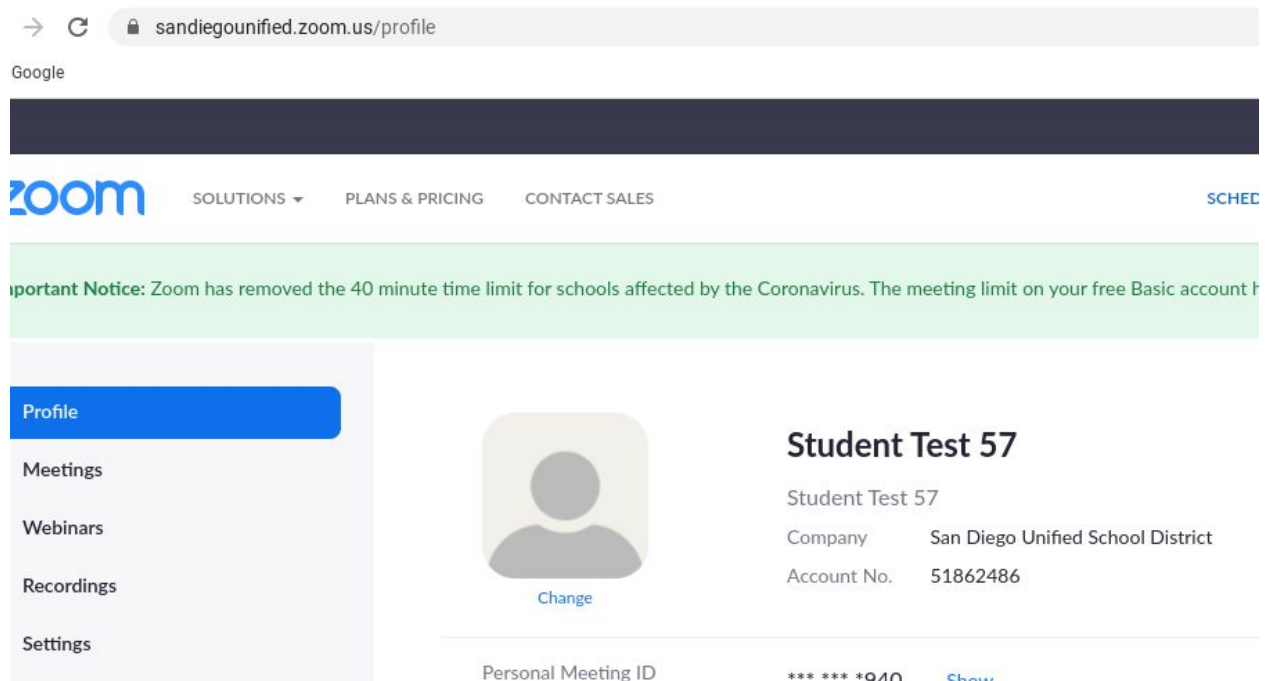

When attempting to join a Zoom meeting that has been set to require authentication on a Chromebook the following message may be presented:

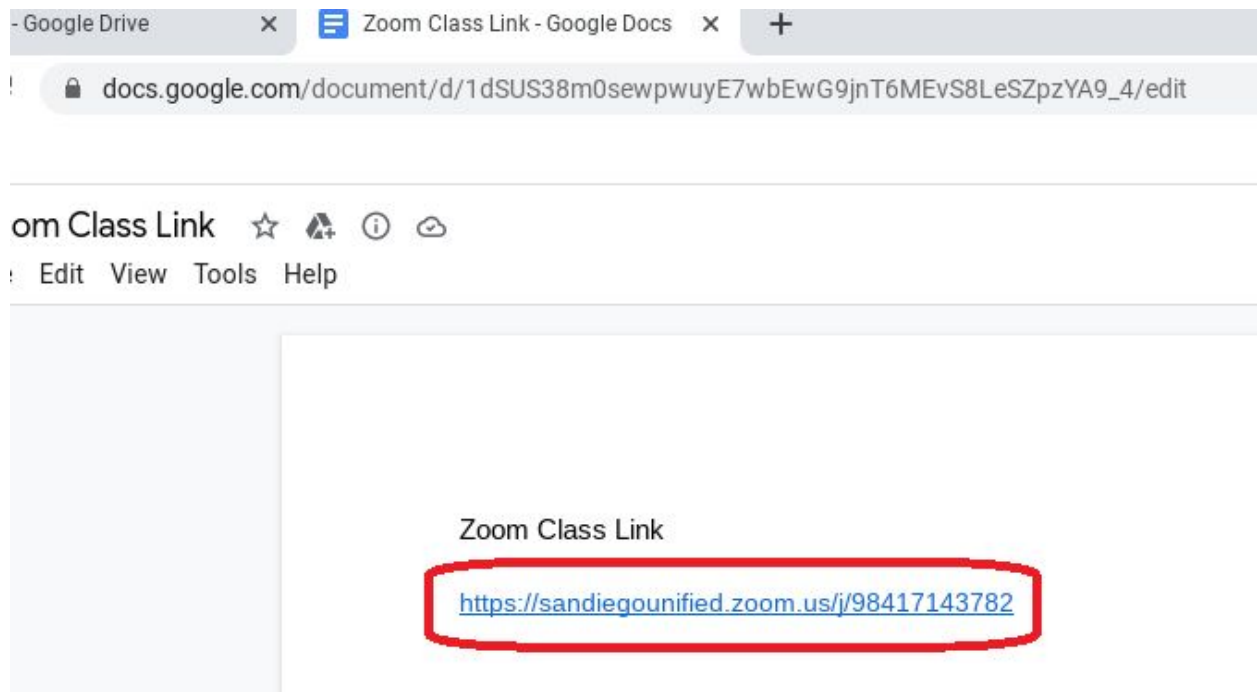

- 1.) Click **Leave** and **exit the Zoom app (Do not attempt to Sign In to the Zoom App)**. Switch back to the Chrome web browser and proceed to sandiegounified.zoom.us
- 2.) Click: **Sign In**

- 3.) If prompted, sign in with your SDUSD account
- 4.) After successful sign in you will be presented with your Zoom profile page.

5.) Join the Zoom meeting again by clicking the provided link.

You will be immediately connected to the Zoom meeting.
