The Youth Employment Opportunity Program (YEOP) provides services to students/youth, ages 15 through 25, to assist them in achieving their educational and vocational goals. The program emphasizes education, assessment, and peer advising. YEOP Workshops prepare students for the hiring process with résumé writing, interview preparation and assistance in developing educational and occupational goals. All YEOP workshops are presented by YEOP Specialists and are approximately 30 - 45 minutes in duration.

As the 2020-21 school year begins in distant learning mode, the YEOP student presentations can be scheduled for your ASSETs IMIN students via Zoom.
